Dear Australian Energy Infrastructure Commissioner,

The Trustee writes for administrative record purposes only.

The Trustee notes your correspondence dated 19 June 2025 addressed to the Beneficiary concerning the Lal Lal Wind Farm.

Since that correspondence, the Trustee has completed further reconciliation of the governing legislative framework, the governing planning framework, the incorporated technical standard and the documentary material obtained through statutory disclosure.

That reconciliation has resulted in the attached **Notice — Documentary Reconciliation of EPA's Current Regulatory Position — Lal Lal Wind Farm – K15aa**, which has been provided to the Environment Protection Authority Victoria.

The attached Notice is forwarded solely so that the Commissioner's administrative record may reflect the present documentary position.

No response, review or action is sought. This correspondence is provided for administrative record purposes only.

Yours faithfully,

**LEWIS TROJAN HORSE PTY LTD (ACN 693 680 509)**

Dear Australian Energy Infrastructure Commissioner,

The Trustee writes for administrative record purposes only, following the previous correspondence exchanged between the parties concerning the Lal Lal Wind Farm.

The Trustee advises that it has now completed the present phase of its continuing administrative and evidentiary record concerning the Lal Lal Wind Farm.

Please find attached, for information only, the Trustee's **Notice — Crystallisation of Administrative and Regulatory Record**, recording completion of the present phase of documentary development and the crystallisation of the Trustee's administrative and evidentiary record as at **29 June 2026**.

The Trustee further advises that the continuing administrative and evidentiary record has now been published and is publicly available at:

<https://lallalwindfarmrecord.com.au>

The published record includes the original documentary material previously provided to the Commissioner together with the supplementary administrative and evidentiary record developed through continuing statutory disclosure, documentary reconciliation, administrative integration and Trustee governance.

This correspondence is provided solely so that the Commissioner's administrative record may reflect completion of the present phase of the Trustee's continuing administrative and evidentiary record.

No response or action is sought by this email.

Kind regards,

**LEWIS TROJAN HORSE PTY LTD**

Dear Australian Energy Infrastructure Commissioner,

The Trustee writes for administrative clarity in relation to correspondence dated 17 March 2026 and 23 March 2026 concerning documentary material provided for record purposes only in respect of the Lal Lal Wind Farm.

The material, comprising the Notice, Supporting Record, and Annexes (A–D), was provided to ensure that the administrative record held by the Commissioner accurately reflects the documentary material presently available.

The Trustee notes that no confirmation of receipt has been provided to date.

For completeness of the record, the Trustee again seeks confirmation that:

- the material has been received; and
- it forms part of the administrative record held by the Commissioner.

This enquiry is made for record purposes only.

No response or action is sought beyond confirmation of receipt.

In the absence of confirmation, the Trustee will proceed on the basis that the material has been delivered and forms part of the administrative record.

All rights are reserved.

Kind regards,

**LEWIS TROJAN HORSE PTY LTD**
