NOTICE

Administrative Record — Governance Consideration

Planning Permit PL-SP/05/0461 (Lal Lal Wind Farm)

Date: 20 July 2026

To:

Mr Derek Madden
Chief Executive Officer
Moorabool Shire Council
15 Stead Street
Ballan VIC 3342

Dear Mr Madden,

The Trustee writes concerning the historical administration of Planning Permit PL-SP/05/0461.

For the avoidance of doubt, this Notice does not concern the present regulation of operational noise, the exercise of statutory functions by the Environment Protection Authority, or any question of present-day environmental compliance.

Rather, this Notice concerns Moorabool Shire Council's historical administration of Planning Permit PL-SP/05/0461 while the permit expressly identified:

"Responsible Authority for Administration and Enforcement of this permit: **Moorabool Shire Council.**"

Over several years, and subsequently through the Trustee, Moorabool Shire Council has been progressively provided with documentary material concerning the administration of the permit. That material has culminated in the Trustee's crystallised administrative and evidentiary record.

The purpose of this Notice is not to reproduce that record. Council is already in possession of, or has previously been provided with, the relevant documentary material.

Having completed the present phase of documentary reconciliation, the Trustee respectfully seeks clarification of Council's position.

Specifically:

Does Moorabool Shire Council consider that its administrative record accurately reflects its historical administration of Planning Permit PL-SP/05/0461 in its capacity as the Responsible Authority for Administration and Enforcement of the permit?

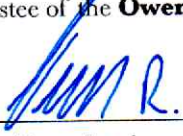

If Council considers that its administrative record requires clarification, supplementation or correction, the Trustee respectfully invites Council to identify that material.

If Council considers that no clarification is required, the Trustee will continue the administration of its own documentary record on the basis that Council considers its administrative record to accurately record the historical administration of Planning Permit PL-SP/05/0461.

This Notice is issued solely to provide Council with that opportunity.

Yours faithfully,

LEWIS TROJAN HORSE PTY LTD (ACN 693 680 509)
