Dear Owen Robert,

I write further to the Trustee's earlier correspondence providing you, as Beneficiary, with material concerning **Resonate Consultants and Mr Thomas Evans**, and the subsequent correction concerning the expiry of the Trustee's final response period.

The Trustee's final follow-up to Resonate Consultants and Mr Evans was issued on **21 August 2026** and provided a further seven days for a substantive response, or confirmation that Resonate did not intend to answer the outstanding questions.

That period has now expired.

The Trustee has **not received any further substantive response or other material from Resonate Consultants or Mr Evans requiring provision to you**.

Accordingly, the Trustee now regards its direct correspondence concerning these matters as **concluded**.

You may retain the correspondence and documentary material previously provided to you for your information and independent consideration in your private capacity.

For avoidance of doubt, the Trustee does not direct, authorise or request that you make any complaint or take any particular step. Any decision whether to pursue any professional or other process, the nature of any such process, and the matters relied upon are entirely for you to determine independently in your private capacity.

Should the Trustee subsequently receive any substantive correspondence or material from Resonate Consultants or Mr Evans relevant to these matters, it will provide that material to you for your information.

Yours faithfully,

LEWIS TROJAN HORSE PTY LTD (ACN 693 680 509)
as Trustee of the **Owen Robert Inter Vivos Trust**
